

Parish of the Good Shepherd Stained Glass Book

Thanks to John Burruss and Mary Ann Stewart, a colorful and informative pamphlet entitled "The Stained Glass Windows of the Parish of the Good Shepherd, Waban, Massachusetts" has been produced and is available for purchase. The pamphlet introduces stained glass window technique and history, and describes the history, iconography, and dedications of each of the windows, including color photographs of every window.

The cost is \$15 per copy with all proceeds going to a fund for conservation of the windows; copies may be purchased after services or from the church office.
